Disrupting the Disruption: Changes in Higher Education Present Hidden Opportunities

February 3, 2026
12:00 pm CT - 1:00 pm CT

This event has now passed.

Colleges and universities are operating in a period defined by volatility. This session — led by skilled attorneys Allison Garrett (Spencer Fane) and **Jonathan Helwink** (Helwink Legal Group) reframes today's challenges as opportunities and explores how institutions can use moments of disruption to sharpen decision-making, reallocate resources, and pursue strategic changes that are difficult to implement in more stable times.
