Mike Patterson and Patrick Lawhon to Present Follow-Up Webinar on CHIPS Act

Spencer Fane attorneys Mike Patterson and Patrick Lawhon will speak about the CHIPS Act as part of a webinar presented by the Greater Phoenix Economic Council on April 24.

The virtual event, CHIPS Act Webinar: Part 2, will serve as a sequel to a previous presentation discussing the same topic. Once again joined by Snell & Wilmer's Brett Johnson, Mike and Patrick will inform and educate semiconductor ecosystem companies about CHIPS Act funding. Attendees will learn how to best utilize and navigate this government program to support further investment and expansion in the Phoenix region and beyond.

At Spencer Fane, Mike and Patrick help businesses navigate corporate, compliance, and securities matters. Mike and Patrick also have experience in domestic and international mergers and acquisitions, joint ventures, strategic alliances, equity and debt offerings, foreign direct investment, distribution, agency and licensing matters, and market entry strategies. They efficiently resolve legal matters by identifying key issues, focusing resources, and executing a plan.
