12.10.2015 [Proposed Extension of New Markets Tax Credit](#)

By Adlai Groves

Despite increased optimism in Congress's ability to pass this year an extenders bill which would make certain temporary tax provisions permanent, House Ways and Means Committee Chairman Kevin Brady, R-Texas, has prepared a two-year "fallback" bill. The proposed bill contains provisions pertaining to both the low-income housing tax credit (LIHTC) and new markets tax credit (NMTC).
