BIOGRAPHY

Ellen E. Stewart helps health care clients successfully navigate a myriad of legal issues and regulations so they can effectively deliver patient care while still meeting their business goals. Whether she is assisting clients in mergers and acquisitions, negotiating contracts or developing corporate compliance programs, Ms. Stewart is dedicated to providing her clients with the highest level of transactional counsel and litigation advocacy.

During her many years of practicing in this area, Ms. Stewart has served numerous clients, such as hospitals, physicians and preferred provider organizations, for a variety of issues concerning the delivery of health care:

- Mergers and acquisitions
- Medicare and Medicaid reimbursement
- Managed care contracting and enforcement
- Information technology
- Medical equipment and supply agreements and leases
- Physician and executive employment agreements
- Anti-kickback and Stark regulations
- Medical staff bylaws, rules and regulations
- HIPAA training and compliance

Ms. Stewart provides assistance to many types of health care organizations, including hospitals, physicians, and alternative delivery systems. She assists clients in the formation of new entities, the acquisition and sale of entities as well as providing general counsel representation which can cover a myriad of regulatory and contract issues.
