BIOGRAPHY

Katarzyna "Kasia" Brozynski is a registered patent attorney representing clients in patent and trademark prosecutions, oppositions, copyright disputes, and intellectual property and complex litigation. She has also represented her clients in a number of patent, trademark and copyright infringement actions.

Kasia is well-versed in the prosecution of both U.S. and foreign applications relating to a broad range of technologies, including:

- medical devices and implants
- DNA sequencing
- chemical compositions
- cloud computing
- optical recording media
- wireless communications
- fracking
- control systems in computer networks
- photovoltaic systems
- internet related applications, and
- mechanical devices.

Kasia's considerable transaction practice includes IP portfolio valuation, rendering freedom to practice and patentability opinions, as well as drafting and negotiating licensing agreements in all areas of IP. She regularly counsels clients on anti-trust issues, technology transfers and export controls.

Additionally, Kasia has extensive experience in representing clients in the film industry.
