### BIOGRAPHY

Reed Williams helps healthcare providers in matters related to corporate governance, contractual obligations, and management issues. He regularly drafts bylaws, risk management policies and other internal documents for healthcare professionals to ensure they are abiding by regulatory requirements. Reed also assists his clients with all manner of corporate transactions, including mergers and acquisitions, corporate restructuring, joint ventures, and strategic partnerships.

Reed has experience drafting a wide variety of corporate and transactional agreements, which include physician employment agreements, independent contractor arrangements, management agreements, among others. He has also authored health care related articles for both *Healthcare Business Monthly* and *Pharmacy Transition Manual*.
