### BIOGRAPHY

Roger represents emerging and established companies, nonprofit institutions and the firms that invest in and finance those enterprises. His understanding of the tax code and broad base of transactional experience allows him to assist our clients throughout their lifecycle on matters ranging from entity structuring and private financings to mergers, acquisitions and divestitures. Roger regularly works with our institutional clients in designing and implementing efficient executive compensation structures, including deferred and equity-based compensation arrangements, that allow those clients to attract and retain key personnel and maintain a competitive edge.
