

SpencerFane®

## 2020 KHA Virtual Convention and Trade Show

The Spencer Fane Health Care Team was recently featured in 5 roundtable discussions as part of the Kansas Hospital Association (KHA) Virtual Convention.

As a unique approach to a virtual event, the KHA focused on hosting roundtables that served as a hybrid between the structured overview of a topic and an open floor for discussion.

Spencer Fane attorneys led the following discussions:

COVID-19 Current and Looming Legal Issues – [Julie Roth](#)

Physician Compensation: Current Issues – [Stacy Harper](#)

CARES Act: Compliance Requirements – [Blane Markley](#)

340B: A Critical Program Under Attack – Laura Bond

Collaborating to Preserve Access to Care – [Donn Herring](#)
