2020 Texas Health Law Conference – Hot Topic Video Chats with Spencer Fane

The Spencer Fane Health Care team is hosting a “Hot Topic Video Chat” as part of the 2020 Texas Health Law Conference.

The team is sponsoring the “Diversity and Inclusion Initiatives” chat and presenting the segment covering government enforcement priorities, new trends in litigation, and emerging issues in digital and technology matters.

The Spencer Fane Health Care team is proud to be involved with an important industry event that works to provide timely education, as well as advance diversity and inclusion in health care.
