Advantage CLE: A New Way to Look at Threats and Opportunities in the Construction Industry

June 30, 2026
12:00 pm CDT - 1:00 pm CDT

Construction has always been a driving force in the American economy. This presentation first looks at the fundamental reasons of "why" and why that trend is going to continue and accelerate. That economic dynamism creates unique threats to construction industry clients. Leaders from the Spencer Fane Construction Industry Market Team discuss how the increasingly complex needs of the construction industry require multidisciplinary solutions and how our attorneys provide that necessary knowledge and experience.
