Advantage CLE: Power Play: How to Take Control of Your Energy Needs and Expenses

June 11, 2026
12:00 pm CDT - 1:00 pm CDT

The electric grid is under unprecedented stress with costs increasing quickly. For many companies, the cost and reliability of electricity is now a major risk. Join us as we provide an overview of the risks, why solar and/or battery systems are typically the best solutions, a rule of thumb to assess if solar and/or batteries are a good option, and the process and legal requirements.
