Alexandra Samofalova Achieves Certified Information Privacy Professional Credential

Spencer Fane is pleased to announce attorney Alexandra Samofalova has earned the Certified Information Privacy Professional/U.S. (CIPP/US) designation from the International Association of Privacy Professionals (IAPP), a globally recognized industry gold standard.

This credential illustrates Alexandra's commitment to building and maintaining a deep knowledge of U.S. data privacy laws and regulations. "The certification process highlighted just how much the regulatory landscape has shifted in the past few years and continues to change," she shared. "Worth the time investment."

Alexandra joins Spencer Fane attorneys Jessica Brigman, David Brininger, Christine Chasse, Thomas Hayde, Aaron Minster, Sarah Porter, Kelley Rowan, and Yana Rusovski in earning the CIPP/US credential.

At Spencer Fane, Alexandra's practice encompasses data privacy, cybersecurity, artificial intelligence, real estate, corporate, and business law. She provides strategic legal counsel to corporations, nonprofits, management companies, developers, contractors, and other professionals, helping them navigate complex evolving legal and regulatory landscapes.
