

Amy L. Mitchell Examines 2026 Oil and Gas Supply Risks in Inside Oil & Gas

Spencer Fane attorney [Amy L. Mitchell](#) was recently featured on the front cover of *Inside Oil & Gas* for her article [Logistics in the Line of Fire](#) (Page 26).

In Amy's article, she explores the opportunities and challenges facing the U.S. oil and gas industry in 2026. She discusses how evolving domestic policies, infrastructure demands, and global events are reshaping the energy landscape and creating new considerations for businesses. The article underscores the value of strategic planning and companies taking a forward-looking approach to risk management and operational planning.

"2026 offers substantial upside for US oil and gas, but only for operators that plan for two interacting volatility engines: domestic regulatory/legal whiplash and conflict-driven logistics shocks that can alter costs and schedules overnight," Amy wrote.

At the firm, Amy represents clients through a wide range of litigation matters, including personal injury, construction defect, oil and gas, commercial litigation, shareholder disputes, class actions, multiparty death cases, and appeals. During nearly four decades as an attorney, she has handled more than 3,000 litigation cases and successfully tried over 80 trials by utilizing her multifaceted skills as a powerful trial advocate and certified arbitrator to achieve favorable outcomes both in and out of the courtroom.
