Andrew Brought Provides OSHA Inspection Advice to Employers in Business Insurance

Spencer Fane attorney Andrew Brought was recently quoted in a *Business Insurance* article focused on increased OSHA enforcement.

In the article, Employers Face a More Aggressive OSHA, Drew spoke to reporter Louise Esola and helped provide an "OSHA roadmap" for employers, along with other safety thought leaders. Drew outlined actions employers can take amid OSHA inspections during the "fact-finding" stage, noting that "there is definitely an opportunity during that inspection process to engage with the inspector," as part of an effort to minimize citations and penalties.

At Spencer Fane, Drew counsels manufacturers, industrial clients, and businesses with complex environmental (EPA) and workplace safety (OSHA) challenges. A dependable and responsive advocate, he offers pragmatic and business-focused solutions to help his clients achieve their goals.
