Beth Siemer Shares Insights on 340B Transparency Disputes in Law360

Spencer Fane attorney [Beth Siemer](#) was recently quoted in the *Law360* article [More Calls for Transparency As CVS Hit With 340B Suits](#).

In the article, Beth remarks that these lawsuits are targeting a new type of player in the 340B space, raising questions about how program savings are distributed. She notes the cases reflect long-standing industry debates over transparency that have generally been in the spotlight in recent years, including in how 340B funds are handled.

Reflecting on recent PBM reform legislation and settlements between the Federal Trade Commission and PBMs, Beth said, "I see this as less about the 340B program and more about the industry as a whole and a push for greater transparency."

Beth is a pragmatic health care attorney who advises individuals and organizations navigating complex state and federal laws that govern transactions, compliance, and reimbursement. Working with various providers, payers, benefit managers, and vendors in the health care space, she offers practical tools, actionable advice, and customized solutions.
