Business Today Names Four Spencer Fane Attorneys to Top 10 Most Influential Environment Lawyers Lists

Spencer Fane is pleased to announce attorneys James Price, Jessica Merrigan, and Andrew Brought have earned inclusion on *Business Today's* Top 10 Most Influential Environment Lawyers in Kansas City 2023. Kathleen Whitby earned the same honor for St. Louis, Missouri & Surrounds.

Jim, Jessie, Drew, and Kate were recognized among their regional peers for their "integral role in maintaining ecological balance while also providing numerous economic, social, and environmental benefits." The publication spotlighted what it described as the attorneys' "exceptional" work in their respective fields.

Business Today is an online business news platform that provides readers with updates and insights on a wide range of topics related to the business world.
