

CBA Environmental Section CLE

The Glasgow Climate Change Conference – COP26

Spencer Fane attorney [John Watson](#) recently presented at the Colorado Bar Association (CBA) Environmental Section's virtual [event](#) covering the Glasgow Climate Change Conference.

During the presentation, John discussed:

- A summary of the Glasgow Climate Change Conference;
- Current international and the United States climate change initiatives;
- Examples of climate-related natural disasters;
- Climate statistics, including international efforts since 1992; and,
- The United Nations Framework Convention on Climate Change

For a replay of John's presentation, please click [here](#). Please note, the video presentation starts at about the 4:00 minute mark.
