## Christine Chasse Earns AI Governance Professional Credential

Spencer Fane is pleased to announce attorney [Christine Chasse](#) achieved the prestigious Certified AI Governance Professional (AIGP) designation from the International Association of Privacy Professionals (IAPP) in June 2025.

In completing this rigorous certification program, Christine reaffirms herself as an industry thought leader with the knowledge to ensure trust and compliance, reduce risk, and prioritize ethics in the development and deployment of artificial intelligence systems. She is the first Spencer Fane attorney to earn this credential.

At Spencer Fane, Christine maintains a dual-focused practice at the intersection of cybersecurity and health care, advising clients on emerging legal risks while providing pragmatic, business-forward guidance. She supports a range of clients – from health systems to technology providers – in navigating complex regulatory frameworks, responding to high-stakes incidents, and structuring effective litigation strategies. Christine's clients benefit from her nuanced understanding of both the legal landscape and the day-to-day realities of working within a health care organization.

Learn more about the IAPP and Christine's latest certification with the organization [here](#).
