CREW KC and CREW St. Louis Special DEI Event – The Color of Change

Spencer Fane was proud to recently sponsor a Diversity, Equity, and Inclusion (DEI) event hosted by Commercial Real Estate Women (CREW)'s [Kansas City](#) and [St. Louis](#) chapters.

Adrienne Bain, CREW Charlotte past president and current CREW Network board member, spoke during the luncheon event. Adrienne discussed the color of change and addressed issues of access and awareness in the commercial real estate industry. The presentation served as a way for members to keep the DEI conversation going.

CREW is designed to help women succeed in the commercial real estate field through opportunity, influence, and power. This organization provides options for networking, education, leadership development, and civic involvement. They pursue ways to make a positive impact in the industry and community by upholding strong ethics and integrity.
