Daniel Axman Named a Leading Global Wealth Lawyer

Spencer Fane is pleased to announce attorney [Daniel Axman](#) has earned inclusion on the inaugural Lawdragon 100 Leading Global Wealth Lawyers guide.

Since 2005, Lawdragon has highlighted legal leaders and continued to add to its collection of industry- and practice-specific listings. In this new offering, the editorial team has harnessed its rigorous nomination, research, and peer review process to identify 2026's top attorneys who advise the world's most affluent clientele on sophisticated, cross-border wealth planning, tax strategy, and the stewardship of complex private assets.

Daniel provides thoughtful and strategic counsel on the efficient transfer of wealth. As the trusted personal advisor for his clients, they turn to him for tax planning, preserving family harmony, creditor protection, business succession, estate and trust administration, charitable planning, resolution of family disputes, and tax audits.
