## **Dave Seitter Publishes 'Quiet Plans – Exciting Results: 47 Trusted Secrets to Big Business Success'**

Spencer Fane attorney [Dave Seitter](#) recently published a book where he shares the success stories of several business owners.

Titled “Quiet Plans – Exciting Results: 47 Trusted Secrets to Big Business Success,” Dave’s book provides insight on how current business owners and aspiring entrepreneurs can grow exponentially through the use of mergers and acquisitions. Additionally, he gives recommendations on selecting the right professionals to provide the necessary groundwork for a company to thrive.

At Spencer Fane, Dave’s practice focuses on simplifying complex business issues critical to his clients’ transactions. He puts emphasis on responding to matters quickly in order to provide legal counseling for dynamic business situations.
