David E. Waters Showcases His Civic Leadership Knowledge at League of Kansas Municipalities Conference

Attorney David E. Waters represented Spencer Fane at the League of Kansas Municipalities 2025 Annual Conference on October 9-11 in Overland Park, Kansas. He attended in his roles as mayor of Westwood, Kansas and member of the Board of Directors for the City Attorneys Association of Kansas (CAAK) and served as an event speaker.

The League is a membership association that advocates on behalf of cities, offers educational opportunities to city-appointed and elected officials, and prioritizes strengthening Kansas communities. The League Annual Conference is the largest municipal gathering in Kansas, offering civic leaders ample opportunity to share community-focused ideas and address common municipal challenges.

At this year's gathering, David presented his newest treatise, "Municipal Nuisance Abatement in Kansas: A Reference for Municipal Practice" at the October 9 Small City Forum and the October 10 CAAK Fall Continuing Legal Education seminar.

At Spencer Fane, David helps a diverse network of clients in the real estate, governmental, business, and health care, and industries successfully handle the full range of legal needs related to real estate transactions, ensuring projects stay on time and on budget. He also currently serves as the Overland Park Office Managing Partner and maintains deep involvement with the Kansas City metro community. He is also a past president of the Kansas Mayors Association – which held a seminar at this year's League Conference – and serves on the Board of Directors for both the Kansas City Arts Council (ArtsKC) and United Community Services of Johnson County, Kansas.
