## Disrupting the Disruption: Changes in Higher Education Present Hidden Opportunities

February 3, 2026

12:00 pm CT – 1:00 pm CT

### **This event has now passed.**

Colleges and universities are operating in a period defined by volatility. This session – led by skilled attorneys [Allison Garrett](#) (Spencer Fane) and **Jonathan Helwink** (Helwink Legal Group) reframes today's challenges as opportunities and explores how institutions can use moments of disruption to sharpen decision-making, reallocate resources, and pursue strategic changes that are difficult to implement in more stable times.
