DJ Healey to Talk Litigation Funding at Firm-Sponsored LITFINCON Los Angeles

Spencer Fane is proud to serve as a Silver Sponsor for LITFINCON Los Angeles, an inaugural litigation finance conference occurring September 17-19. Attorney [DJ Healey](#) will speak at the event.

LITFINCON is a renowned, Siltstone Capital-hosted event held annually in Houston. The upcoming Los Angeles conference marks the first time LITFINCON's collaborative and educational environment has expanded to the West Coast. Leading business executives, judges, litigation funders, Am Law firms, corporate counsel, law professors, and investors will gather at the Maybourne Beverly Hills for three days of litigation finance programming and networking opportunities.

DJ is a panelist for the September 17 session, Ins and Outs of Patent Litigation Funding. She will join Shawn Blackburn (Susman Godfrey), Ben Herbert (Miller Barondess), James Blick (Erso Capital), and moderator Jacob Varghese (Litigo Financial) for this exploration into the complexities of patent litigation and the impact of recent trends and disclosure rules on litigation funding. The panel will explain how these changes shape the future of intellectual property disputes and outline the role of financing in "leveling the playing field."

At Spencer Fane, DJ harnesses over 30 years of experience in planning and executing enforcement strategies and counterstrategies in federal and state courts, the ITC, the FTC, European courts, and the European Commission. Recognized by the industry as one of the preeminent intellectual property litigators in the United States, DJ helps plaintiffs enforce their patents, protect their trade secrets, defend their copyrights, and deal with overreach through antitrust and other business torts.
