Five Spencer Fane Attorneys Earn 2025 Top Rankings by Nevada Business Magazine

Spencer Fane attorneys [Oliver Pancheri](#), [Nicholas Santoro](#), [Jason D. Smith](#), [Tiffany Solari](#), and [Tyler Thomas](#) were recently recognized by *Nevada Business Magazine* as 2025 Top Rank Attorneys, a peer-reviewed honor granted to only three percent of licensed attorneys in Nevada.

Beginning in February each year, *Nevada Business Magazine* opens polls which allow all Nevada-licensed attorneys to vote for who they believe are the leading attorneys in the state. Following the initial qualification round, each ballot is reviewed for eligibility and all voting attorneys are verified with the State Bar of Nevada. Then, votes are weighted based on firm, with votes from within the same firm receiving one-third of the weight as votes from other firms to mitigate potential bias.

Since the October 2024 combination with Nevada-based Holley Driggs, Spencer Fane has once again underscored its thriving professional culture, service-oriented approach to both law and community initiatives, and successful client outcomes driven by exceptional attorneys including the five recently honored. All have made notable impacts on the Las Vegas legal community and the firm's expanded Southwest presence.

In private practice, Oliver, Nicholas, Jason, Tiffany, and Tyler bolster the Litigation and Dispute Resolution practice group across a wide range of civil and criminal matters in state and federal courts.
