Hal McCard Presents On-Demand Health Care Compliance Webinar

Spencer Fane attorney [Hal McCard](#) co-led the April 2 Healthicity webinar, Legal and Compliance, The Great Divide?

Hal joined Healthicity Chief Compliance and Privacy Officer Brian Burton for this discussion on the separation between the Legal and Compliance functions in healthcare organizations. The session provided best practices and real-life examples for complying with recommendations from the U.S. Health and Human Services Office of Inspector General's recent publication, General Compliance Program Guidance.

At Spencer Fane, Hal combines decades of experience as in-house and outside counsel for health care enterprises with a deep understanding of health care operations, regulatory compliance, and complex litigation to provide responsive, effective counseling on a full range of legal matters with a practical, client-centered focus. He designs effective legal solutions for nonprofit and for-profit health systems, physician group practices, and ancillary/allied health care providers.
