Health Law Navigator: Can I Text/E-Mail/Call You? Risks and Strategies for Navigating Communications Laws for Health Care

November 12, 2025

12:00 pm CT – 1:00 pm CT

This event has passed.

TCPA, CAN-SPAM, HIPAA, ADA, ACA ... It can be a challenge for health care companies to know when and how they can communicate with their patients and members without excessive risk. In this presentation, [Aurora Kammerer](#) and [Beth Siemer](#) will talk about the background of each federal law governing communications, where each applies, and exceptions and considerations specific to health care. They will also discuss strategies for risk mitigation and policy development.
