Heidi Bassett Leads Firm-Sponsored ACC Minnesota CLE

Spencer Fane was pleased to sponsor the Association of Corporate Counsel Minnesota Chapter (ACC Minnesota)'s Breakfast CLE Program on February 25 in Minneapolis. Attorney Heidi Bassett led the presentation, Early Case Assessment – A Practical Framework for In-House Counsel.

When legal claims arise, in-house counsel must quickly assess the scope, severity, and potential impact on broader business interests. During the session, Heidi provided a practical, repeatable framework to bring structure, clarity, and strategic foresight to the earliest stages of a dispute that includes gathering the right information fast, evaluating legal and financial exposure, managing privilege concerns, and determining when outside resources should be engaged. She emphasized the importance of an effective Early Case Assessment process as a tool for effectively managing legal claims. The event also provided a buffet breakfast and networking opportunities for attendees.

At the firm, Heidi represents clients in complex business and real estate disputes with a focus on deceptive trade practices, unfair competition, fraud, and financial services. A formidable litigator and unwavering advocate, she harnesses extensive experience in both trial and appellate courts, representing clients in more than 200 appeals and accumulating an impressive track record in trial courts.
