Helen Holden to Provide Mediation Education in State Bar of Arizona CLE

Spencer Fane attorney Helen Holden will co-present a State Bar of Arizona CLE course on April 19 in Phoenix.

For the event, Help Me Help You: Optimizing the Mediation Process, Helen will collaborate with Gerstman Law's Renee Gerstman, The Donna Williams Group's Donna Williams, and Rider Levett Bucknall's John Jozwick to "pull back the curtain" on the mediation process. The virtual course features the perspectives of the mediator, litigator, and client and will advise both in-person and virtual attendees on preparing for mediation, leveraging the process, collaborating with the mediator, and wielding influence.

At Spencer Fane, Helen helps businesses understand how successfully navigating the alphabet soup of federal and state employment laws can positively impact company culture. She brings more than 20 years of experience to her focus on management-side employment law, which is evident in the practical advice and training she provides to management on human resource issues. Helen's clients include companies in diverse industry sectors, including construction, real estate, manufacturing, technology, health care, distribution, and retail and service.
