Houston Insurance Litigator Joins Growing Spencer Fane Practice Group

Spencer Fane LLP is pleased to welcome Anna C. Carruth to the firm's Houston office as an associate in the Litigation and Dispute Resolution practice group.

Anna helps insurers and reinsurers effectively navigate complex coverage disputes, including by negotiating solutions which mitigate financial exposure and, when necessary, pursuing litigation in both state and federal courts. She also boasts former experience managing diverse civil litigation matters.

"The insurance team's ongoing success is fueled by intentional expansion into critical markets and driven by top legal talents, both established and emerging," said Brian Zimmerman, Office Managing Partner for Spencer Fane in Houston. "We are excited to welcome Anna's fresh perspective and strong litigation skills as she works to support one of our firm's most distinguished cross-office practices."

Anna received her undergraduate degree from the University of Texas at Austin before earning her Juris Doctor from the University of Houston Law Center.

While completing her law degree, Anna was the senior articles editor for the *Houston Journal of International Law*, co-founded an alumni association for UT graduates at UHLC, and served as a judicial intern for the Honorable Mike Engelhart, former Judge of the 151st Civil District Court in Harris County, Texas.
