## HR Benefits Forum Virtual Event

Spencer Fane attorneys [Helen Holden](#) and [Randi Winter](#) recently presented at a webinar hosted by the [Children's Hospital Association](#) covering what employers need to know about regulatory changes in 2021.

Helen and Randi discussed changes to enforcement of various labor, employment, and employee benefit laws implemented by the Biden Administration. The presentation provided insight on the key areas where employers can expect changes and how those changes may impact children's hospitals.

At Spencer Fane, Helen regularly represents employers in agency proceedings involving allegations of discrimination or harassment, and has successfully defended employers in lawsuits brought in both state and federal courts. Randi helps her clients achieve favorable litigation outcomes with respect to business, employment, and licensing disputes. She also represents clients in matters involving health law, labor law, and utility law.
