

James Crumlin Appointed to the S3 Recycling Solutions Board

Spencer Fane Bone McAllester attorney [James Crumlin](#) was recently appointed to the Board of Advisors for [S3 Recycling Solutions](#), a full-service technology recycling company that seeks cost-effective and environmentally-friendly ways to reduce electronic waste.

"As S3 continues to grow, it is important that we engage people who can offer their professional expertise to help us improve our business processes," S3 Chairman Darrell S. Freeman, Sr. said in an archived S3 Recycling Center article. "An experienced board can be the key to an enhanced and sophisticated business strategy that will position us for long-term success."

In this leadership role, James will work to grow the organization, act as a consultant to management, and provide recommendations for improvement.

"I am truly honored and humbled by this opportunity to serve on the S3 Board of Advisors," James noted in the archived article. "I look forward to collaborating with Darrell, CEO Rod McDaniel, and the rest of the Board and management team as we identify the best practices to deliver electronics recycling solutions to businesses across the U.S."
