Jason Medley Joins Legal Issues Panel at Annual IFA Conference

Spencer Fane attorney [Jason Medley](#) recently shared the hottest legal topics impacting the factoring and accounts receivable financing industries at the 30th Annual International Factoring Association (IFA) Conference on May 2 in Miami Beach, Florida.

During his presentation, Legal Panel at Lightning Speed, Jason and his fellow panelists addressed a wide range of legal issues and topics that constantly come up in relation to factoring and secured lending by responding to a series of rapid-fire questions. The interactive session polled attendees before the panel responded, then showed the results so attendees could see if the panel agreed or disagreed with their response.

The three-day conference was designed to equip attendees with the insights and strategies to supercharge businesses, careers, and portfolios. The firm also served as a sponsor of the event.

At Spencer Fane, Jason helps banks and other financial institutions in all aspects of contract negotiations, workouts, intercreditor relations, and secured party collections. Jason is also designated as a Preferred Attorney with the IFA and serves as General Counsel to the Houston Chapter of the Secured Finance Network.
