Jason Medley to Speak at Secured Finance Network Luncheon

Spencer Fane attorney Jason Medley will speak at an upcoming Lunch & Learn for the Houston Chapter of the Secured Finance Network on September 14 in Maggiano's Little Italy on Post Oak Blvd in Houston, Texas.

During his presentation, Jason will share stories from his 20-plus-year career chasing debtors on behalf of financiers, and will explain how to document deals on the front end with this in mind. Specifically, Jason will explain the use of turnaround executives, prejudgment remedies, and other extraordinary measures, and involving law enforcement in your efforts, as well as outlining important changes to credit agreements.

At Spencer Fane, Jason helps banks and other financial institutions from coast to coast structure transactions in a manner that enables them to be efficiently closed, allowing for key stakeholders to maximize benefits and avoid unnecessary delays or costs. His work fully encompasses all aspects of contract negotiations, workouts, intercreditor relations, and secured party collections.
