Jeremy Rucker Serves as Panelist for Cybersecurity Disaster Recovery Webinar

Spencer Fane attorney Jeremy Rucker was a featured speaker for GreenLight Group and OpenText's cybersecurity webinar on November 30.

During the presentation – Simplify, Secure and Insure Your Disaster Recovery Environment – Jeremy joined GreenLight Group's Joe Madden, OpenText's Geoff Rennie, and Climb Channel Solutions' John Einhaus to discuss disaster recovery strategy. Each industry thought leader provided tips to businesses for addressing tactical, operational, and strategic goals that increase security against ransomware.

At Spencer Fane, Jeremy leads the incident response team and focuses his practice on information privacy, security, and incident response issues. He regularly helps companies of all sizes navigate the complex and rapidly evolving state, federal, and international laws and regulations governing information.
