Managing IP Highlights Spencer Fane Intellectual Property Growth

As Spencer Fane continues its strategic search for lateral hires, a recent *Managing IP* article featured the firm's growing intellectual property team across the firm's footprint.

In the Talent Tracker Quarterly Report, the IP-focused trade magazine names the firm among the top two firms to snap up major intellectual property groups in the first months of this year. Featuring [Blair Jacobs](#), [Christina Ondrick](#), and [John Holley](#), the article also mentions the three partners are among 12 lawyers the firm has added to its IP group since the start of 2023.
