Mike Patterson Discusses Considerations When Selling a Business During Webcast

Spencer Fane attorney [Mike Patterson](#) was a featured guest on a recent webcast hosted by Armando Roman, Founder/CEO of AXIOM Founders Family Office, Inc.

Mike provided business owners insightful information about selling their businesses, including best practices, key decision-making considerations, and negotiation tactics.

The webcast was a preface to an in-person seminar for over 60 business owners contemplating selling a business for the first time. The live panel included Mike, two investment banking firms, and two private equity firms.
