

Nate Orr and Shawn Tuma Co-Host Cybersecurity Event

Spencer Fane attorneys [Nate Orr](#) and [Shawn Tuma](#) recently co-hosted an informative lunch presentation, which was an opportunity to network and discuss cybersecurity topics.

Nate and Shawn co-presented with Jaime Simpson of NetStandard. The panel discussed cyber insurance, including recent developments, coverage options, what carriers are looking for, and ways to control cyber risk.

At Spencer Fane, Nate serves as fractional general counsel for his clients, managing their legal matters in numerous practice areas. He has more than 20 years of litigating and negotiating commercial, real estate, financial, and employment claims/agreements.

Shawn's practice focuses on data privacy and cybersecurity, helping businesses protect their information and protect themselves from their information. He represents a wide range of clients dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
