

SpencerFane®

## Nick Alman Talks Benefits of Joining Spencer Fane with Law360

Spencer Fane attorney [Nick Alman](#) recently discussed his decision to join the firm in a featured article by *Law360*.

In the article, reporter Emma Cueto highlighted Nick's tax, trusts, and estates background. She also spoke with him, and he shared his excitement, about the growth trajectory, client-focused culture, and opportunity at Spencer Fane.

"I can do the same quality of work [as larger firms]," Nick shared. "And I can control that ... I can have relationships with clients, understand what their needs are, and operate in a more autonomous way."

At Spencer Fane, Nick stewards clients through a broad range of legal needs, including corporate, tax, and dispute resolution matters while providing unparalleled counsel in tax planning and controversy. Routinely representing businesses and individuals in complex federal and international tax matters, Nick's broad-ranging private practice covers all facets of the dispute resolution process, including audits, appeals, and litigation.
