Norma Izzo Funds Supplies for Scottsdale Unified School District Teachers

Spencer Fane attorney Norma Izzo recently donated to DeFusco Law Classroom Supply Stipend Program, an initiative that supports Scottsdale Unified School District (SUSD) teachers in Arizona.

“Our family law team recognizes and honors outstanding Arizona educators,” Norma – a proud SUSD alum and partner – said. Through her support, five teachers will receive funding for crucial classroom supplies.

The DeFusco Law Classroom Supply Stipend Program provides stipends to at least ten teachers a year. Since its inception in 2018, the program has donated more than $25,000 to educators.

At Spencer Fane, Norma serves as chair of the firm’s family law practice and helps clients assess complex family law and domestic relations matters. She develops successful legal strategies and uses her mediation training and experience to seek beneficial resolutions while also leveraging her significant courtroom experience to advocate for her clients in trial.
