NSU's Virtual Spring CLE 2022

Spencer Fane attorney [Jeremy Rucker](#) recently presented at Northwestern State University's (NSU) School of Business CLE event, where he led the session focused on data privacy, cybersecurity, and risk management.

During the presentation, Jeremy discussed all facets of data protection, including legal implications, cyber threats, and safeguards. He covered best practices for contracting a service provider to enforce privacy and cybersecurity measures.

Jeremy also explained the legal landscapes of data privacy in Louisiana and data breaches nationwide, noting the importance of being alert and having cybersecurity measures in place to protect important data.
