

## **Price-Gouging: Carly Duvall and Pat McInerney Provide Guidance on Compliance During COVID-19**

Spencer Fane attorneys Carly Duvall and [Pat McInerney](#) recently published an article featured in *Bloomberg* discussing price-gouging regulations in response to the COVID-19 pandemic.

Titled "State Price-Gouging Regulation and Compliance During COVID-19," Carly and Pat's article explores consumer protection statutes, states' enforcement tools, and possible defenses to violations.

Carly and Pat explain that knowing the regulations for each state of operation is vital to remaining compliant. "Businesses who sell products and services that may be necessary or essential amid the COVID-19 crisis should carefully review and examine their pricing and advertising practices to avoid scrutiny or enforcement under consumer protection statutes."
