Randi Winter Celebrated as Women in Business Honoree

Spencer Fane is pleased to announce Randi Winter as one of *Minneapolis / St. Paul Business Journal's* 2026 Women in Business honorees.

Now in its 29th year, this annual feature celebrates inspiring women professionals shaping their organizations, industries, and Twin Cities community. All 51 honorees were formally celebrated at an award ceremony – attended by Randi and her Spencer Fane colleagues Maureen Foster, Johanna Hyman, Ariel Lierz, Sarah Porter, and Leslie Witterschein – in addition to receiving a special feature in the publication.

Randi's profile highlighted her impact as one of the youngest office managing partners of any Am Law 200 firm, sophisticated litigation practice, extensive list of leadership roles, and love of her Minnesota community.

In addition to serving as Office Managing Partner of the firm's Minneapolis location, Randi helps Spencer Fane clients achieve favorable litigation outcomes with respect to business, employment, and licensing disputes. She also represents clients in matters involving health law, labor law, and utility law. She is experienced in all facets of litigation and arbitration, but has particularly enjoyed helping clients, both large and small, obtain trial victories before judges and juries in federal and state court.
