

Randi Winter Summarizes Federal COVID-19 Vaccination Mandates

Spencer Fane attorney [Randi Winter](#) recently published an article in *BenefitsPRO* covering the new COVID-19 vaccination requirements set forth by the Biden Administration.

Titled "Biden announces sweeping federal COVID-19 vaccination mandates for American employers, employees," Randi's article summarizes the federal vaccination plan and how it will impact the workforce in the United States.

"The thrust of the administrative initiative involves 'substantially increas[ing] the number of Americans covered by vaccination requirements,' primarily through mandates that 'will become dominant in the workplace,'" Randi noted. "The Administration estimates that these new mandates will affect over 80 million Americans eligible to be vaccinated but who have not yet gotten their first COVID-19 shot."
