Ravi Sundara Leads Firm-Sponsored SABA Foundation Nonprofit Roundtable

Spencer Fane was pleased to sponsor a virtual nonprofit roundtable on March 20 hosted by the South Asian Bar Association of North America Foundation (SABA Foundation). Attorney Ravi Sundara led the discussion.

Harnessing his experience as a non-profit advisor, Ravi Sundara outlined best practices for non-profit governance and answered attendee questions. The session was the latest SABA Foundation event Spencer Fane has had the honor of supporting.

At the firm, Ravi represents mainly tax-exempt organizations with corporate and tax matters, regulatory compliance, deferred and direct charitable giving, and employee benefits. He assists clients in corporate formations, reorganizations, mergers, asset sales and acquisitions, and other corporate transactions in structuring transactions so they can achieve their goals within legal parameters.
