Reevaluating OSHA Chemical Process Safety Management Compliance Following the Wynnewood Decision

Spencer Fane attorney [Andrew Brought](#) will analyze *Scalia v. Wynnewood Refining Co., LLC*, as part of the [Midwest Section of Air & Waste Management Association's](#) monthly meeting.

Andrew and Nancy Liang (Trinity Consultants) will discuss compliance under the Occupational Safety and Health Administration's chemical Process Safety Management standard and identify possible ramifications deriving from this recent case decision.

This presentation will address the following:

- What did the federal court hold and how did it come to its conclusion?
- Where will this federal court ruling be applied and what does it mean for your facility?
- What are the considerations and factors your facility needs to reconsider in light of the *Wynnewood* decision?
- How can your facility go about taking next steps to maintain PSM compliance?
