## SecureWorld Rockies Virtual Conference

Spencer Fane attorney [Shawn Tuma](#) recently spoke at the SecureWorld Rockies Virtual Conference. During the keynote presentation, Shawn discussed ways for companies to improve cybersecurity measures, focusing on cyber insurance.

Shawn co-presented with Sean Scranton, Cyber Liability National Practice Leader at RLI Insurance Company, and Steven Anderson, Chief Underwriting Officer at Measured Analytics and Insurance.

During the session “Cyber Insurance: Driving the Future of Cybersecurity Improvements,” the panel covered best practices for building an effective data privacy and cybersecurity program, including obtaining cyber insurance, incident response plans, and data risk analysis.
