Shawn Tuma Co-Leads November PowerHour CLE for State Bar of Texas

Spencer Fane attorney Shawn Tuma was a featured speaker for the November 12 edition of the State Bar of Texas Corporate Counsel Section's PowerHour CLE series.

The session – AI Governance + Cybersecurity: Working out the Kinks…Ethically – explored the necessary collaboration between an organization's General Counsel and CISO when navigating artificial intelligence governance and cybersecurity threats. Joined by moderator Toni Nguyen and Darron Flagg of PowerSchool, Shawn discussed relevant legislative trends, real-life examples, and evolving data privacy and cybersecurity threats. They also outlined how organizations can construct an effective and ethical AI framework.

At Spencer Fane, Shawn co-leads the firm's Data Privacy and Cybersecurity Practice Group. He helps businesses protect their information and protect themselves from their information. Shawn is a frequently sought-out thought leader who represents a wide range of clients navigating cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
