Shawn Tuma Discusses Cyber Incident Timelines

Spencer Fane attorney [Shawn Tuma](#) recently joined a panel presentation at the Veracross annual [EdTech Conference for Independent Schools](#) on June 24.

During the presentation, What Your School Needs to Know and Do After a Cyber Attack, Shawn shared an outline on how to respond to a cyber incident from minute one through more than four years after the breach. The audience learned how to create and manage a basic, actionable Incident Response Plan.

Shawn was joined on the panel by Eric Lankford, Director of the K12 Security Information Exchange; Mike Saylor, CEO of Blackswan Cybersecurity; and Jeff Shaffer, Vice President of Engagement Management at Stroz Friedberg.

At Spencer Fane, Shawn helps businesses protect their information and protect themselves from their information. He represents a wide range of clients, from small to midsize companies to Fortune 100 companies, across the United States and globally in dealing with cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
