Shawn Tuma Discusses Unique Intersection of AI and Faith at Dallas Baptist University

Spencer Fane attorney [Shawn Tuma](#) was a guest speaker at Dallas Baptist University's AI & Faith Conference on March 18.

For his presentation – Faith in the Digital Age: Navigating the Crossroads of Generative AI, Cybersecurity, and Privacy – Shawn championed the importance of disruptive leadership and law based on values. He also provided historical examples of how fear often surrounds new, beneficial technology and discussed the ethical implications of artificial intelligence in different cultural contexts.

At Spencer Fane, Shawn co-leads the firm's Data Privacy and Cybersecurity Practice Group while serving as Office Managing Partner for the firm's Plano location. He helps businesses protect their information and protect themselves from their information. Shawn is a frequently sought-out thought leader who represents a wide range of clients navigating cybersecurity, data privacy, data breach and incident response, regulatory compliance, computer fraud-related legal issues, and cyber-related litigation.
